

Angus Carers Centre "Save The Date" Newsletter

Which events will you be attending this August?

Hi ,

We hope you've been well recently.

As you may have noticed, we've made some changes to our newsletter and we hope you'll welcome them with open arms.

Our monthly newsletter in the past has been a mixture of projects we're currently working on, and upcoming events you can attend. We've now changed this format, and this newsletter will act as a calendar for events throughout the coming month which we would love you to attend, and our project updates will be on our Facebook page.

Our organisational updates and project updates will then be sent out quarterly as a larger newsletter so you can keep up to date with what's happening within Angus Carers Centre.

We would welcome your feedback on this change, and how the calendar sits with you. You can use the button below to submit feedback for us, to make it as valuable as possible for you.
