

Angus Carers Centre "Save The Date" Newsletter

**Which events will you be attending this
September?**

Hi ,

Has August treated you well?

We've just polished off our new September calendar filled with fantastic events we hope to see you at. We have some new events such as our Young Carers "Let's Dance" which is a collaboration with Scottish Youth Dance to provide our YC's with a block of dance lessons to encourage teamwork, self-expression and movement.

Another new event on the calendar is our Ladies Day Afternoon Tea which is a taster session to find out more about Arbroath Connections, our staff and volunteers and enjoy some delicious cake.

Click the button below to view and download your own calendar to keep up to date with us and give yourself some much needed R&R.

We hope September has wonderful memories to be made for you.
